

**ARE YOU
GOING DOWN
IN THE APP STORE?**

..or are your cool game-ideas sinking?

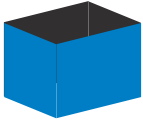

**WE PROVIDE A
NEW PLATFORM**

TAB-Austria is the world's most advanced manufacturer of amusement machines in the Out-of-home entertainment market. With products like the Silverball game station or the Max Fire HD Jukebox we have conquered the global market.

Now, we are opening a new era in the game development and we want to share the market with you. Develop games for our premium product, the multi-player gametable Fun4Four, that is already operated worldwide in bars, pubs, clubs and discotheques.

Design games for the Fun4Four community

FUN4FOUR SDK

Your game-idea

Games are accessible worldwide

Unity powered

Earn money per game start

Many new games possible

Direct and personal support

No SDK fee

Score with cool games in the Fun4Four community. Now private and commercial game developers have the chance to establish itself at the very beginning of a new era.
